

IN YEAR 1, WE ASKED THE CHILDREN HOW THEY USE DIGITAL DEVICES AND TECHNOLOGY AT HOME.

51% of children do not ask permission when using a digital device at home.

51% of children know their parent's passwords for their phones.

What apps does your child use?

78% of children said they use You Tube

49% of children said they use I-Player

57% of children said they use NETFLIX

45% of children said they use Google

"I play Fortnite."

"I have watched the movie Annabel."

"I play Roadblocks Army."

"I watched a scary movie with my friend."

Because of the feedback received by children, we have recognised that we need to organise a workshop for parents / carers in order to ensure their child is safe when using digital devices at home. This will take place on Thursday 20th December at 9:00am and will be led by Mrs Hanif and Miss Shale. If you have any questions in the meantime, please make an appointment to speak to Mrs Hanif, ICT Co-Ordinator.
