Percentile and Ranking Trends

Schools and academies are ranked purely on the basis of the attainment measure being displayed, with 1st being the highest achieving out of 296 in Birmingham  
The percentile is calculated using normalised score of 1 - 100 and represents the percentage of schools in Birmingham achieving a higher outcome.

Trend Explained

**% Diff** - Compares current year to previous year by % of pupils achieving  
**Pupils** - The difference in current year from previous by number of pupils achieving  
**Average** - Represents a 3 year rolling average for the indicated measure

Comparison Explained (relates to current year only)

**% Diff** - Compares school/academy to indicated benchmark by % of pupils achieving  
**Pupils** - Represents the % Diff in pupil numbers e.g. -2 would mean you are were 2 children away from achieving the average for the benchmark.  
**Above** - Shows how many times you were above the average outcome for the indicated benchmark

## Notes on this report

School outcomes represent the attainment of pupils at the indicated school or academy or the previous establishment where appropriate

Ward and District outcomes represent the combined attainment of children living within the indicated area and who attend a school in Birmingham according to the January school census for 2025

Birmingham outcomes represent the combined attainment for all schools in Birmingham with the exception of Pupil Referral Units and Hospital schools

National figures are primarily sourced from corresponding statistics released by the DfE on [www.gov.uk](http://www.gov.uk), with ASP and performance tables acting as secondary sources

Red, Amber, White and Green indicators used in this document are an LA interpretation and not directly comparable to Ofsted measures, use for REFERENCE only.

RAG rating relates to the National outcome. If National outcome is not available then the Birmingham outcome is supplemented.

**% Diff** - Compares current year to previous year by % of pupils achieving

**Pupils** - The difference in current year from previous by number of pupils achieving

**Average** - Represents a 3 year rolling average for the indicated measure

### Comparison Explained (relates to current year only)

**% Diff** - Compares school/academy to indicated benchmark by % of pupils achieving

**Pupils** - Represents the % Diff in pupil numbers e.g. -2 would mean you are were 2 children away from achieving the average for the benchmark.

**Above** - Shows how many times you were above the average outcome for the indicated benchmark

## National Outcomes

Wherever possible national outcomes are taken from the official statistics published by the DfE. Note that they may change throughout the year if replaced by revised outcomes.

On occasion it may be necessary to take national outcomes from other reliable sources such as Performance Tables or ASP

The code outcome code **np** means that the figure has not been published - wherever possible this will be replaced with national outcomes if available as and when published
