Charging and Remissions Policy

Introduction

All education during school is free. We do not charge for any activity undertaken as part of the National Curriculum.

Voluntary Contributions

The school organises trips and visits, which enrich the curriculum and educational experience of the children, the school invites parents/carers to make a £35 annual contribution to cover the costs of these. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may have to reduce number of trips and activities the children experience.

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity.

Residential Visits

Generally speaking, due to the high costs involved in providing residential visits, there will be charges to parents/carers. Details regarding individual residential visits, and their costs, will be provided to parents/carers as and when they have been organised. The cost of any residential visit will be reflective of the charges set by the activity provider.

Breakfast and After School Clubs

There will be no charge for Breakfast Club.

There will be a charge of 50p a week in advance for after school club provision. This funding will be used to enable the staff to purchase any necessary equipment required to ensure that the club can be accessed appropriately.

Those children staying for the wraparound after school provision on Friday afternoon will be charged £20 per term per child, or a pro-rata amount if the child joins after the Half Term holidays. All payments made are non-refundable.
