

# Mother's Day at Sladefield

Mother's Day is always a very special time at Sladefield, however this year we have been unable to welcome our parents to our wonderful assemblies due to social distancing measures.

We still wanted to show our mothers, aunties and grandmothers how much we appreciate them. So we made some beautiful cards and gave them a little flower to show our love.

# Our Poem

Year 2 thought of beautiful words to complete a poem for their mums.
