

Sladefield theme for this term was all about transport.

Class 1 and Class 4 based their work on 'The Titanic'. They read parts of the story and looked at a PowerPoint about this historical disaster. For English, they wrote about how the iceberg caused the Titanic to sink. Year 2's topic work was based around the Titanic, focusing on the main events from the disaster using timelines and completing a cross section of the titanic.

I'd be a superhero
I'd always help the poor
And beat the baddies to the shore
